

**Welsh Amateur Boxing Association Ltd.
And the Victoria Park ABC
Statement on Health & Safety**

The Victoria Park.ABC acknowledges that high standards of health and safety are of key importance in enabling it to achieve its objectives. Accordingly our club will take all reasonable steps to provide healthy and safe environment for all staff, members, athletes and visitors using our sports facilities and equipment.

The Victoria Park ABC recognises that full compliance with all aspects of legislation relating to health and safety is essential. Health and safety standards shall not be considered to be acceptable unless all relevant legal requirements are being met.

The Victoria Park ABC recognises that health and safety management must be a core function of the management structure within the club.

The Victoria Park ABC is committed to planning, implementing and reviewing its health and safety arrangements in order to achieve continual improvements in performance.

This Policy and the arrangements in force extend to staff and all those registered with the club.

Every person has a duty to bring situations that they believe to be dangerous, or shortcomings in the safety arrangements, to the attention of the officers of the Victoria Park ABC
